

PACE OF PLAY REMINDERS

A quick round is a good round

***Play ready golf and *keep up with the group in front**

A few friendly reminders.....

- **Be at the tee and ready to play at least 10 minutes before your tee time**
- **Play ready golf whenever it is safe**
- **Go directly to your own ball after playing**
- **Shorter hitters can play first when safe**
- **Too many practice swings slow everyone down – keep pre-shot routines brief and aim to play within 40 seconds**
- **Leave buggies and carts in the best position for the next tee**
- **Mark scores at the next tee, not beside the green**
- **Search for lost ball for no more than 3 minutes**
- **If you can no longer score, please pick up**
- **One group falling behind affects the whole field**
- **If your group falls behind, two players can quickly move to the next tee once two players have putted out**
